

# EN 1: Engineering in the Kitchen

Steven Bell

4 November 2021

# Objectives

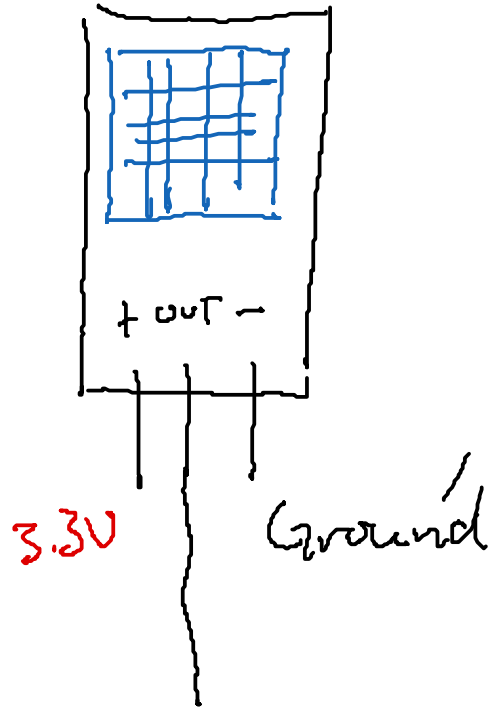

By the end of class today, you should be able to:

Read data from a DHT 11 temperature/humidity sensor

Explain what MQTT is, and its terminology ("server", "topic")

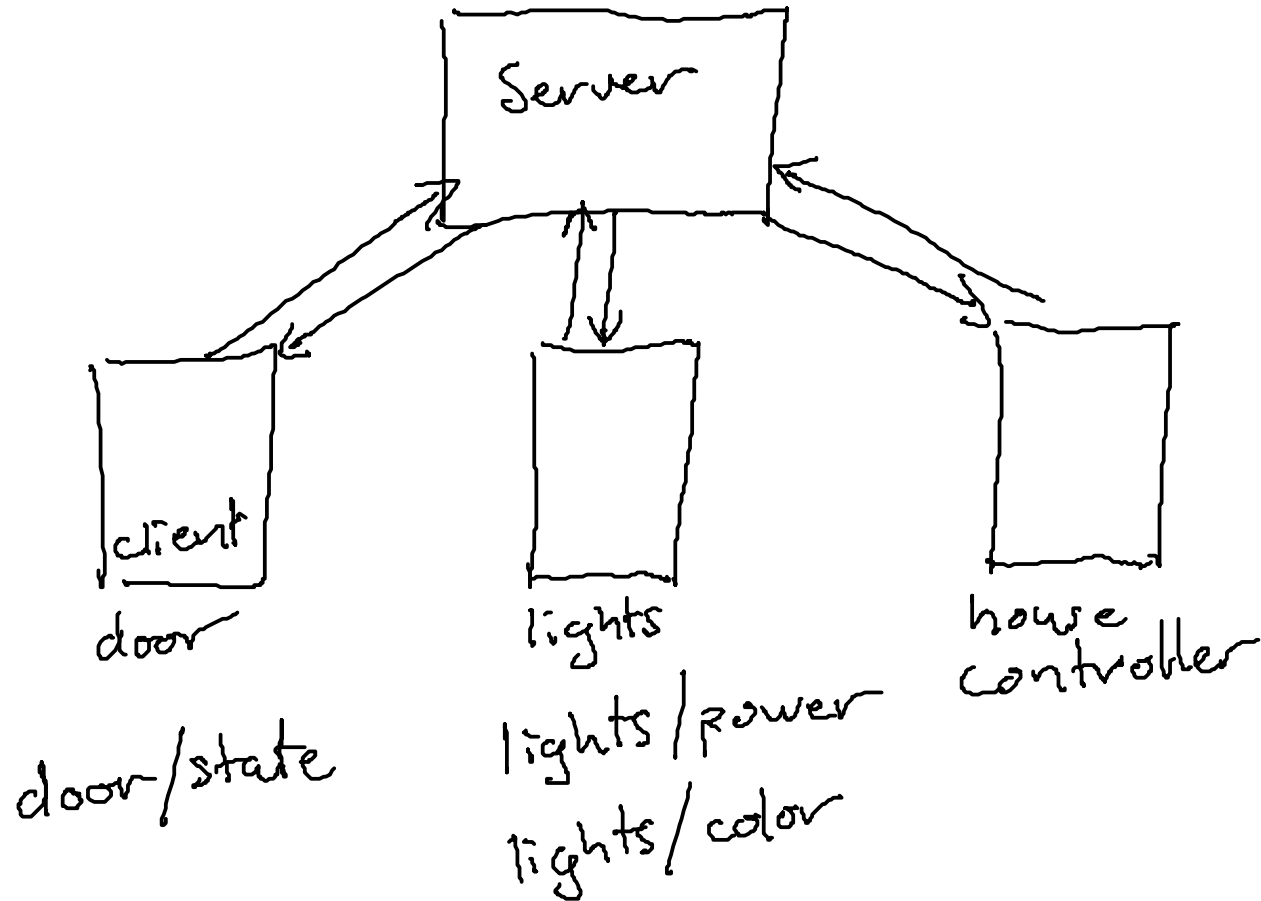

Publish data using MQTT

# DHT11 temperature / humidity sensor

# MQTT

"Since 2013, MQTT does not stand for anything."
